To Whom It May Concern:

Flagstone Elementary is looking for interested parents and community members to serve on the SAC for the 20-21 school year. There are currently 2 vacant parent representative openings, one community rep and one PTO representative position. Nomination forms are due no later than Friday, September 18th, 2020.

Would you be interested in the following:

Representing the community point of view?

Focusing on needs and concerns of the school's community?

Reviewing various components of the school program and advise the principal as to how well these meet the school and community needs?

If so, SAC is the right committee for you! Created by state statute in the 1970's, these committees are composed of parents, teachers, administrators, and community members. The focus of this committee is to inform, encourage, and provide opportunities for all stakeholders to be involved in the planning and evaluation of the school's instructional program and quality improvement processes. The SAC makes recommendations to the Principal concerning the school's Performance, Improvement, Priority Improvement, or Turnaround Plan. Meetings are held monthly from August through May. **Meetings are open to all parents and families even if you are not interested in serving on the SAC Committee.**
