1. Meeting start time at 7 pm
2. Principal update – Dr. Kelli Smith

a) 21-22 Events calendar-- what are we planning for next year with the assumption we are back to normal:

<https://docs.google.com/document/d/19vMkWBaWuqEdWvfkCO5wBfurgYrNfS33LuXtJtHMA1U/edit>

b) science funds update-- and request to spend the rest on a reading and math resource rather than the remaining on science.

c) Update on fun run

- *As of 5.4.21 total pledged was 17995.00, with nothing pending. The school profit will be 16,159.50 based on 100% collection. Boosterthon is the process of finishing the processing of CC.*
- *There are some corporate matches on the Boosterthon system, some are in submitted status and some in eligible status. Submitted means the person who donated has begun the process of reaching out to their company regarding matching donation, we have no idea of knowing how long that process will take, depending on the business. The eligible status*

means their email used to make the donation is an eligible company; for example Comcast was a popular one.

- *These payments, should they be matched, will be sent directly to the school and do not have any reflection on the number raised through Boosterthon, and they are paid at 100%.*

Board Positions

- The treasurer position cannot be a district employee, but the other positions can be an employee
- Jamie Bamber has graciously offered to assist as the treasurer until we have another volunteer.
- The next treasurer needs to have some accounting experience and an understanding of accounting principles

PTO Requests

6. Grant Requests

- Transfer to school account
 - Once Jenn gives the total to Jamie, she will send in all documentation to have the transfer completed before the end of the school year.

7. End of year wrap up

- All final financial requests need to be turned into Jamie prior to June 1. I believe the only things we are waiting on will be receipts from teacher appreciation from Christine, the final grant total, Kona ice(transfer),

Receipts from 6th grade graduation, (not sure if they will use P-card or buy items themselves” If a transfer I will add it to the final transfer of the year.

- I will be coordinating with Jenn to come into the school and bring all the paperwork I have at my house, and find a safe place in the school for it all to be kept. I will also count Petty since it hasn't been counted in over a year and to be honest I have no idea how much is even in there.
- I'm waiting to see an updated statement from the Foundation. This past week I sent in the reimbursement for the signs and the transfer for the conference lunch and battle of the books.
- Budget: Since we are looking at the calendar, we need to look over the budget as well, especially since we didn't have a lot of money coming in this year, and need to be conscious of what we can work with.
