Statement of Interest and Qualification: As a parent of two, and a former educator, I am passionate and invested in our school. I have a Master's degree in Education from Whittier College, and worked in a school setting as an assistant, substitute, an lead classroom teacher for over 10 years. I continue to be active in children's educational experiences as the Center Director of Code Ninjas Castle Rock. I believe in the power of neighborhood schools, and would love to support Flagstone Elementary as a member of the School Accountability Committee.
